

SUGAR BOWL SKI TEAM & ACADEMY

BOARD OF TRUSTEES APPLICATION

Thank you for your interest in serving on the Sugar Bowl Ski Team & Academy Board of Trustees. The Board of Trustees oversees both Sugar Bowl Academy and the Sugar Bowl Ski Team. The Board of Trustees reflects the Organization's mission and vision, drawing its expertise from many areas. Members are passionate skiers from the fields of education, law, finance, business and the service professions.

The role of the Board of Trustees is to ensure that the Organization's mission is appropriately carried out through the Academy and Ski Team programs. The Board tracks and monitors the Organization's progress toward fulfilling its mission, plans for its future, and ensures that the Organization has financial and leadership resources to achieve its strategic vision. Board members do not serve to represent particular constituencies, nor does the Board have any involvement in the day-to-day operations of the Academy or Ski Team.

Board members are selected annually utilizing a thoughtful, holistic approach that seeks to carefully balance the needs and composition of the Board, which can vary from year to year. Board member expectations include:

- 1) Commitment to a three-year board term;
- 2) Attendance at a minimum of 7 meetings a year (the Board meets 9 times a year);
- 3) Lead and participate in SBSTA events and attend to Board matters (an average time commitment of 8 hours per month); and
- 4) Prioritize SBSTA as one of their top three philanthropic organizations with participation in SBSTA's Annual Fund.

If you can meet these requirements and are interested in serving on the Board of Trustees, please submit the information below. Applications are accepted on a rolling basis from the fall until late spring. Our Board selections are made in late spring and appointments are formalized in the fall. We appreciate your interest and the opportunity to learn more about you.
